High Court has fixed as the standard ~~outturn~~ disposal for each Munsif in their Districts, 698 regular suits and 1077 small causes. The original jurisdiction of Munsifs in that Province was recently raised to Rs 3000/- the small cause jurisdiction to Rs 500/-. In Secunderabad the small cause jurisdiction extends only up to Rs 50/- and hence many suits which would have been disposed of as small causes are here tried as original suits. Even if some allowance is made on this account, the Secunderabad suits disposed of come up fairly to the standard fixed in Madras. Under the circumstances, it seems necessary to have another Court to relieve the heavy pending file which has risen by more than 33⅓ per cent in the last 3 years. Unless some relief is given, the pending file is likely to increase and the disposal of suits unduly protracted. The temporary Court proposed may therefore be sanctioned, but these Courts (Temporary) are, as in the case of Guntur, ~~in case of time~~, have to be made permanent, ~~in case of time and the load~~. The reason probably is that the general volume of litigation has increased throughout the State and this increase necessitates ~~de~~ the establishment of additional Courts. In some places it is also reported that temporary Munsifs do not generally turn out the standard amount of work expected of them. In any case, the present proposal may be approved

Final Note by the First Member of Council

Subject:—

Proposal to establish a Second Munsiff's Court at Seringapatam temporarily for a period of two years.

On account of steady increase in the file of the Seringapatam Munsiff's court it is reported that it has become unmanageable for one Munsiff to cope with it and the Chief Court accordingly recommend that a Second Court may be established at that station temporarily for a period of two years to work off the heavy arrears. Statistics of suits filed and disposed of in the said court during the last four years show that the number of disposals in the court comes up fairly to the standard of work fixed in Madras and that the pendency has risen by more than 33 per cent.

The proposal was considered at a meeting of the Council who are of opinion that it may be approved.

R.O.C. No. 45/1917-18.

Chief Court of Mysore,

Bangalore,

Dated 15th February 1918.

From

N.T. Gopalrengar Esq., B.A., LL.B.

Registrar of the

Chief Court of Mysore

To

C.S.Balasundaram Iyer Esq., B.A.,

Chief Secretary to the

Government of Mysore

Bangalore.

Sir,

In his letter No.128/20 dated 6th July 1917 the District Judge of Mysore represented that the file of the Seringapatam Munsiff's Court was steadily increasing so as to be unmanageable for one Munsiff to cope with it, and recommend-ed the formation of a second Court at that station temporarily for a period of one year to work off the heavy arrears. The then presiding Munsiff, the late Mr. M.D. Tirumalachar, represented that he would try to bring the work under control before the end of December, and this Court proposed to give him a trial. He did his very best to reduce the file and over-worked himself, but unfortunately he died.

From that time forwards the acting Munsiff has not been able to reduce the pending file which continues be heavy as shown in the margin.

State of the pending file in Seringapatam Munsiff's Court on 1st February 1918.

Class of cases.	Contested	Uncontested.	Cases likely to be contested out of those newly received and posted.	Total pending.	Years to which pending contested cases belong. 12-13 & previous.	13-14	14-15	15-16	16-17	17-18
Original.	553.	368.	100.	921.	1	34.	52.	130-	213.	123.

Execution.	59.	1106.	60.	1165.	0	0.	4	20.	25.	10.
Miscellaneous.	35.	125.	30.	160.	0	0	0	0.	20.	15.

The Chief Judge inspected the Seringapatam Munsiff's Court on the 8th January 1918 and found the file to be really so heavy as not to be capable of being managed by one Munsiff. The District Judge of Mysore has now made a second representation for the establishment of a second Court at least for a period of two years as the work has outgrown its normal proportions. Under the circumstances the Judges consider that it is desirable that a second Munsiff should be appointed at once to commence his work from the 1st of March next, temporarily for a period of two years as recommended by the District Judge.

The District Judge has also submitted a proposal for the entertainment of two temporary clerks for the Seringapatam Court as it now stands and the Judges consider that it is necessary to strengthen the establishment by the proposed number of hands, and that they will be just sufficient for the present even if a second Munsiff's Court is sanctioned as suggested.

Now that the Court house is extended by the addition of a big room it may be possible to find accommodation for the proposed second Munsiff in the same building; but however the District Judge will be consulted as to the location of the Court.

The District Judge of Mysore will be requested to distribute the work between the two Munsiffs as was done in the case of Tumkur.

The cost of the 2nd Munsiff and 2 clerks may be met from the general savings of the judicial budget.

I am directed to request that the Government may be pleased to pass early orders for the 2nd Munsiff's Court to start work early so as to enable the Chief Court to incl[illegible]

in its budget the extra cost for the next official year.

A proposition statement for the additional establishment urgently required for the Seringapatam Court is forwarded through the Comptroller for favour of early sanction.

The proposal had been received prior to December last, but it was ordered to lie over pending the inspection of that Court by the Chief Judge who wished to satisfy himself as to the necessity for the additional hands. The Inspection took place in January and the proposal was delayed in consequence.

I have the honor to be,

Your most obedient servant,

N. Nagalingam
